Kelly,

Typically, the mailing address does not necessarily always match what is listed on the LA County Assessor's office records. Some parcels have many different site addresses.

http://maps.assessor.lacounty.gov/GVH_2_2/Index.html?configBase=http://maps.assessor.lacounty.gov/Geocortex/Essentials/REST/sites/PAIS/viewers/PAIS_hv/virtualdirectory/Resources/Config/Default

I double checked the LA County Assessor's website and they have it listed as 428 W 6th Street. What's more important than the site address is the Assessor's Parcel Number.

There is no issue with the petition. When will they sign the petition? I'm trying to get these sent over to the City by Friday.

Thank you for checking.

Good morning Lorena,

The Marymount California PBID contract is with Kimberly Ramsay in President

Lamadrid's office for review before he gives his signature. She brought to my attention that our Klaus Center is located 430 W. 6th, but the assessment (contract) shows the address 428 W. 6th. Is the annual assessment dollar correct?

Is this an error? Do we need a new agreement?

Thanks,

Kelly
